SUNDAY Swim Lessons

The Byron Park District’s swim lesson curriculum combines expertise from the American Red Cross, Swim Lesson University, World Aquatic Babies & Children Network and USA Swimming Agencies. This curriculum has a greater focus on earlier progression of the front crawl stroke utilizing in-line body positioning (face in water) with a delayed focus on the backstroke. Plus, all instructors will complete a comprehensive child-centered training program, in which they learn the progressions of each stroke and interactive teaching techniques! The Byron Park District will strive to schedule the same instructor with the same students each session, but we may have substitute instructors teaching when the regularly scheduled instructor is unavailable.

**Parent-Tot** (Ages 9–36 months)
In this class, parents are taught to safely work with their child in the water including how to support and hold their child. The class aims at increasing a child’s comfort level in the water along with building a foundation of basic swimming skills and breath control. Skills are taught through various games and songs. **One parent must be in the water with the youngster. Swim Diapers Required!**

**Swim 101- Fundamentals** (Ages 3–6 yrs)
This class helps participants feel comfortable in the water while learning fundamental swimming skills. Skills covered include breath control, first-time submersion, front & back kicking with equipment, in-line kicking on front and front stroke with pop-up breathing. 30 min class; 3-4 students per instructor.

**Swim 102- Fundamentals** (Ages 6 – 9 yrs)
This class is the same as Swim 101, but designed for students, 6 – 9 years, who have more developed motor skills. 30 min class; 3-5 students per instructor.

**Swim 201- Stroke Development** (Ages 5-8 yrs)
The pre-requisite of this course is the ability to perform the skills in Swim 101/102. This class focuses on the formal strokes of front crawl (freestyle) with side breathing and introduces the backstroke. 45 min class; 3-4 students per instructor.

**Swim 202 – Stroke Development** (Ages 7-12 yrs)
This class is the same as Swim 201, but designed for students, 7-12 years, who have more developed motor skills and can swim longer distances and duration. 45 min class; 3-6 students per instructor.

**Swim 301 – Supplemental Strokes** (Ages 6-12 yrs)
This class teaches the elementary backstroke, sidestroke, various treading kicks, survival floating and diving. Students will also work on swimming longer distances using the front crawl and backstroke. 45 min class; 3-6 students per instructor.

**Swim 401 – Advanced Strokes** (Ages 6-12 yrs)
The main focus on this class is learning the breaststroke and butterfly. Diving, open turns and flip turns along with front crawl and backstroke endurance are also covered. 45 min class; 3-6 students per instructor. (Previous Level IV).
