

Tiger Shark Fundraising

Effective 9/12/11, ALL Tiger Shark Swim Team members are required to fundraise \$300 per family between the start of the short course season (Sept) and the end of the long course season (July). Those families who do not want to fundraise may buy out and must pay an additional \$300 by December 1st of each year.

Parents or family members are also needed to “chair” various fundraising and social activities. These positions can change each session (Fall, Winter, Spring, Summer) or remain the same. After a parent successfully completes their position’s responsibilities for the session, they will receive a \$50 credit to use towards their next registration. The following positions are needed:

- Fundraising (2-3 indiv.) – Responsible for planning & operating fundraising activities
- Swim Meets (1-2 indiv.) – Responsible for gathering volunteers for all required positions for each home swim meet.
- Social (1-2 indiv.) – Responsible for planning and operating fun social opportunities for swim team members and/or families

I would like to thank each and every swim team family in advance for your hard work and effort in making Tiger Sharks a successful program! Let’s have a great season and fast times.

Sincerely,

Carrie Stralow
Aquatic Supervisor
